

Cook

Wanuskewin Heritage Park is accepting applications for cooks, casual hours, reporting to the Executive Chef. The position will include the following accountabilities:

- Ensures a welcoming environment for all Wanuskewin visitors and guests with a focus on service excellence
- Ensures all hygienic and food safety standards are being followed in preparation of food.
- Ensures proper food presentation is displayed with all restaurant and catering menu items.
- Accurately tracks all sales into the park POS/database
- Provides support around all client service needs.
- Ensures restaurant and banquet rooms are adequately stocked with supplies
- Ensures proper food safety standards are being met or exceeded
- Responsible for all standard restaurant and banquet duties
- Standard opening and closing procedures of the facility, restaurant and till system in an accountable and appropriate manner.
- Completes scheduled cleaning and light preventative maintenance on kitchen equipment.
- Provides recommendations to enhance menu items and changes.
- Assists in monthly inventory counts of food and beverage.
- Fosters a positive working relationship among the various departments across the organization.
- Collaborates across the organization to ensure quality client oriented services are provided that meet the overall organizational direction.

Required Qualifications and Experience

Ideal candidates are required to have their own transportation and a CPIC (criminal record check). Experience in the culinary field or commercial kitchen along with food safe handling certificate would be considered an asset but not necessary.

Please note that people with Indigenous Ancestry will be given preference, however, we are an equal opportunity employer and will hire the best candidate available based on all resumes submitted (HRC-E-91-09) (HRC-E-91-17). Applicants are encouraged to self-declare.

These positions will remain open until successful candidates have been chosen. Please submit your resume and cover letter with a minimum of three references to:
