

EXHIBIT HALL EXPLORATION

Scavenger Hunt

- Find one toy or game
- Find something made from bison fur
- Find something made from an animal that is not bison (tooth, claw, antler etc.)
- Find an object (or a piece of an object) that likely was traded to get here (is not naturally found on the plains but came from somewhere else)
- Find something that reminds you of your family, your friends, or a memory
- Find something that is tied together
- Find something that had been smoothed down
- Find something that would keep you warm in the winter

Ponder

Think about or discuss with a small group:

- Look at the Tipi Teachings in the center of the room. Each is a lesson you learn throughout your life. Which one do you think is the most important to you today? Explain why to your group.
- Find your favourite piece of beadwork and explain why it is your favourite!
- What is one question that you still have after seeing the exhibits?
- What is something that stuck out to you in the exhibits?
